

Cost of university studies :

1) Ordinary tuition fees

Enrolment fees for a complete study year amount to 778.00 EUR.

2) Additional tuition fees

Additional fees are asked by the Université catholique de Louvain for those students who are not nationals of one of the 25 countries of the European Union or who are not permanent residents in Belgium. The amount of the fees depends on the study orientation chosen : from 3,095.00 EUR to 9,295.00 EUR :

Study orientation	Description	Fees
A	Group of studies in Human Sciences	3,095.00 EUR
B	Group of studies in Positive Sciences, Physical Education, Physiotherapy, Actuarial Sciences and Computer Science, 1 st and 3 rd -cycle studies in Medical Science, Veterinary Science, Engineering and Agronomy	5,740.00 EUR
C	Group of 2 nd cycle studies in Medical Sciences, Agronomy and Engineering	9,295.00 EUR

These costs are due annually. The amount corresponding to the student's personal situation will be communicated after submission of the request for admission file.

Remark : These costs are not to be paid by a student coming for a doctorate.

3) Exemptions of additional tuition fees

Exemptions are granted to various categories of students. These are students :

- with grants from organisations recognized by UCL, such as bursaries from the French Community of Belgium, NGO's, foreign states...
- coming within the framework of specific conventions signed by the Rector of the Université catholique de Louvain.
- coming from social, economic, family or exceptional political backgrounds acknowledged by the Authorities of the Université catholique de Louvain in charge of Student Affairs. These situations are examined only on demand of the student concerned as soon as they have been definitively admitted to the Université catholique de Louvain.
- enrolling at the Faculty of Theology, on the demand of their ecclesiastical or religious superiors.
- married with students having an exemption.

4) Budget

In addition to the possible additional fees (see above), the minimal average cost of an academic year is evaluated, for a single person, to approximately 9.278,00 EUR.

This sum is distributed as follows :

University tuition fee	778,00 EUR
Books and didactic material	770,00 EUR
Settling costs	400,00 EUR
Housing	2760,00 EUR
Food and body care	2400,00 EUR
Health care (insurance, medical costs)	370,00 EUR
Clothing (including laundry)	720,00 EUR
Leisure	480,00 EUR
Miscellaneous (telephone costs, transport costs, ...)	600,00 EUR

Remarks :

- For some students, the costs engendered by the French course preparing for the sitting of the entrance examination also have to be taken into account.
- Some programmes involve additional costs, e.g. inter-university programmes, ...
- For married students or those with dependents, to the initial sum of 9,278.00 EUR, a minimal additional sum of 4,560.00 EUR per dependent has to be added.
