

At Ernst & Young, we support you in achieving your unique potential wherever you are in the world — both personally and professionally. We give you stretching and rewarding experiences that keep you motivated, working in an atmosphere of integrity and teaming with some of the world's most successful companies. And while we encourage you to take personal responsibility for your career, we support you in your professional development in every way we can. You enjoy the flexibility to devote time to what matters to you, in your business and personal life. At Ernst & Young, we know it's your point of view, energy and enthusiasm that make the difference.

Assurance gives organizations and their investors the confidence that the results they report give a true and fair picture of their business. As an assurance professional at Ernst & Young, you'll work in a high-performing and inclusive environment that offers you great opportunities to develop an interesting and fulfilling career, wherever you are in the world. You will work in multi-disciplinary teams to handle complex issues and resolve challenges for leading companies. We'll support you in your professional development so you achieve your potential. At Ernst & Young, we know it's your point of view, energy and enthusiasm that make the difference.

In order to strengthen the team of our LUXEMBOURG Assurance Department, we are currently looking to recruit as of September 2011:

Junior Actuary (m/f)

Your responsibility:

As a Junior Actuary, you will work on different legal audit projects in the insurance and re-insurances industry sector.

In this position, as Auditor, you will provide:

- Actuarial support to the different financial audit projects (life and non-life insurances and re-insurances companies, pension plans),
- Works related to the application of international account standards IFRS 4, IAS 19, ...
- Improvement of the actuarial services (Solvency II ...).

Working in a team, you will interact adequately with the client in order to collect all the necessary data/information.

Your profile:

- you hold a Master degree in Actuarial Sciences;
- You are fluent in English, French and/or German, additional language skills such as Luxembourgish are an advantage;
- You display the ability to communicate effectively and act as a team player;
- You display analysis qualities and technical competencies;
- You are organized, flexible and able to manage several files.

Interested candidates should forward a current Curriculum Vitae + motivation letter via our online application form on:
