

GEORG-AUGUST-UNIVERSITÄT  
GÖTTINGEN

The Institute for Mathematical Stochastics at the  
Georg-August-University of Goettingen

is offering a

**Full-time Position (permanent)**

in

**System Administration and Scientific Programming**

(salary is based on the German TV-L system, level 13)

as of June 1, 2011.

The candidate will be responsible for the system administration of the institute and its belonging research groups which also includes supply management for all IT-related materials and equipment. A very good knowledge of Linux and Windows operating systems is required.

Furthermore the candidate will be expected to contribute within the research group "Statistical Image Processing" at the Felix-Bernstein Chair for Mathematical Statistics.

Please send your application including cv, records and two letters of recommendation by April 29, 2011 to

Prof. Dr. Axel Munk  
z.H. Frau S. Greiner  
Institut für Mathematische Stochastik  
Georg-August-Universität  
Goldschmidtstrasse 7  
37077 Göttingen

or as a single PDF-file by email to [steffi.greiner@mathematik.uni-goettingen.de](mailto:steffi.greiner@mathematik.uni-goettingen.de)

As we do not return applications please send us copies only.

The University of Göttingen is an equal opportunities employer and places particular emphasis on fostering career opportunities for female scientists and Scholars. Qualified women are therefore strongly encouraged to apply. Disabled persons with equivalent aptitude for the position will be favoured.
